

OUR GLACIERS. OUR LEGACY.

FREE EVENT FOR THE PUBLIC

Monday February 1, 2010 7:00 pm • Golden Civic Centre: 810 9th Ave S

An evening of information sharing on the current state of glaciers in the Columbia Basin and how these glaciers are reacting in the face of climate change. This session will feature some of North America's most renowned glaciologists and hydrologists.

Evening Host

Brian Menounos, PhD
Assistant Professor, Department of Geography
University of Northern British Columbia

AGENDA

Welcome

Golden Mayor Christina Benty
CSRD Regional Director Ron Oszust

Introduction

Kindy Gosal, Columbia Basin Trust
Director, Water and Environment

SESSION 1

Glacier Change in Western Canada: past, present and future
Gary Clarke, PhD
Professor Emeritus, Glaciology, Earth and Ocean Sciences
University of British Columbia

SESSION 2

What is happening to the glaciers in the Columbia Basin?
Shawn Marshall, PhD
Associate Professor, Canadian Research Chair in Climate Change
