A winter landscape featuring a snow-covered hillside in the foreground. The hillside is dotted with evergreen trees and bare, snow-laden shrubs. In the background, a wooden fence runs across the top of the hill, with more evergreen trees behind it. A body of water in the lower half of the image reflects the scene above. The text "Congratulations on a successful meeting" is overlaid in the center of the image in a red, serif font.

Congratulations on a successful meeting

The Board commends the Science Committee and the Users' Advisory Committee for their excellent work
